Church information:

Bethany EFC is an urban, multi-racial church located in a New Jersey community that has more than 50,000 people in a 1.3 mile radius. Our community is culturally, economically and spiritually diverse and we are just fifteen miles from New York City.

Bethany EFC had 80 teenagers attend a one-week summer camp the past few summers. Presently we have over 100 teenagers involved in after school ministries and youth groups. Tutoring, basketball, volleyball, cooking, arts & crafts, praise dance, singing, and poetic expression are some of the opportunities that we've used to build bridges to the youth of our community.
